# Inspire™ 500 for Women

In-Ear Wireless Sport Headphones

## Features and Benefits

### TwistLock™ technology

Our patented TwistLock™ technology provides a secure fit, ensuring these headphones never fall out even during the most rigorous physical activities.

### FlexSoft™

Guaranteed never to hurt, these headphones are ergonomically designed to avoid nerve rich areas of the ear for long-lasting comfort. Made with ultra-soft medical-grade, flexible silicone to ensure a comfortable fit for hours on end.

### Sweat Proof

Developed for training in any conditions, the Inspire™ 500 endures through rain, water, and sweat.

### Microphone with music and track control

The sweat and water resistant 3-button microphone system provides a new level of convenience for the multi-tasker. Through the click of a button, you're able to control phone calls and music tracks without breaking from your work-out. Compatible with most smart phones.

### 8-hour life smart battery

Our battery life is tested and proven to power a week's worth of workouts. Track the battery life with LED and audible indicators.

### JBL Signature Sound with Pure Bass performance

For over 60 years, JBL has engineered precise, naturally articulated sound found in high-end cinemas, arenas and recording studios around the world.
