Powerful, accurate and styled to make a dramatic design statement in any listening environment, compact JBL Studio™ 130 loudspeakers bring legendary JBL sound to bookshelves, tabletops and other convenient, space-saving places. With woofers featuring high-output PolyPlas™ cones, and CMMD® Lite tweeter domes with proprietary Bi-Radial® waveguides, Studio 130 systems offer exceptional clarity and realism with outstanding bass response. Ideally suited for use as satellites in a Studio 1 Series home theater system, or on their own in compact-yet-captivating music-only systems, Studio 130 systems will transform your home entertainment experience with both style and substance.

**TECHNICAL SPECIFICATIONS**

- **Speaker type:** 2-way bookshelf
- **Low-frequency transducer:** 4" (100mm) PolyPlas cone, magnetically shielded
- **High-frequency transducer:** 1" CMMD Lite dome, magnetically shielded, in a Bi-Radial constant directivity waveguide
- **Recommended amplifier power:** 125 watts
- **Frequency response:** 60Hz – 22kHz (–3dB)
- **Nominal impedance:** 8 ohms
- **Sensitivity (2.83V/1m):** 85dB
- **Crossover frequencies:** 3kHz, 12dB/octave
- **Enclosure type:** Ported
- **Connector type:** Gold-plated binding posts
- **Available finishes:** Black (BK)
- **Dimensions (H x W x D):** 13-3/4" x 6-1/2" x 8-1/4" (349mm x 165mm x 210mm)
- **Weight:** 10.9 lb (4.9kg)
JBL STUDIO™ 130
4-inch (100mm) Bookshelf Loudspeaker

HIGHLIGHTS
4” (165mm) Low-Frequency Transducer
- Stiff, lightweight PolyPlas cone with rubber surrounds
- Powerful bass response with low distortion
- Magnetically shielded for placement near TV

1” (25mm) High-Frequency Transducer
- CMMD Lite dome with JBL Bi-Radial waveguide
- Eliminates unwanted resonances for clear, extended high-frequency response
- Distributes HF more directly, over a wider listening area
- Magnetically shielded for placement near TV

Dynamic JBL Weave Design
- Distinctive, one-of-a-kind look

KEY FEATURES
- Rigid, heavily braced 3/4” (19mm) MDF enclosure
- Rear-facing bass port increases output and extends bass response
- Gold-plated binding posts increases connection options
- Available in silver-tinted black vinyl finish
